Sir,

(I)

With reference to G.O.No. 2043 L.&.'. dated 17-9-23 I have the honor to state that the Committee met on 1-12-23 to examine the financial position of the District and Taluk Boards and after some discussion on the subject came to the conclusion that the present financial embarrassment cannot be overcome except by additional taxation (land cess) the actual rate at which it should be levied being determined according to the actual ~~rate~~ state of affairs as scrutinised by the local boards concerned. The committee also recommended the abolition of the Rayadrug Taluk Board, the ~~addition of the~~ area administered by it being added to the existing Bellary and and Hospet Taluk Boards.

2. A copy of the Committe's proceedings is enclosed. It is being communicated to all Presidents of Taluk Boards for their views. The views of the District Board will be obtained at its meeting on the 15th instant . The views of the Taluk boards will be communicated on their receipt.

THE President,
District Board,
Bellary.

Sir,

With reference to your letter C.R.No. 2143 dated 8th December 1923, I have the honor to forward herewith a copy of the Board's resolution No. 13, dated 19th December 23, and to state that the Taluk Board has rightly resolved not to levy an cess which will be additional to the cess at 3 pies in the rupee which the District Board has decided to levy to cover deficit balances. One who moves among the villagers knows in what sad plight they are. Successive bad seasons have reduced them to beggary. The soils of Hospet, Hadagalli, Harapanahalli, Kudligi and Rayadrug are poor and cannot bear an additional impost. Any cess the Taluk Boards may be called upon to levy will be additional to what the District Board wants for its own purposes. It will get about Rs.43,000/- which ought to be enough to wipe off its small deficit and to pay to the Taluk Boards to square up their accounts. The smaller the number of Taluk Boards the less will be the expenditure on establishments and travelling allowance of the members and the Presidents.

I have the honor to be,
Sir,
Your most obedient servant.

READ Letter C.R.No. 2143 dated 8th December 1923 of the President District Board Bellary forwarding for opinions of the Taluk Boards a copy of the proposals made by the Retrenchment Committee in the matter of the levy of additional ~~RESOLUTIONS~~ land cess at 6 or 4 pies in the rupee and the abolition of the Taluk Board Rayadrug and Government memorandum No.29940-1 L. and M. dated 15th December 1923 thereon.

RESOLUTION . No. 13.

This Board is of opinion that additional taxation will weigh heavily on the already overburdened ryot especially when the resettlement is impending and when the District Board has resolved to levy a cess of 3 pies in the rupee. This cess which amounts to about Rs.43000/- will not only meet the requirements of the District Board but also those of the Taluk Boards which are working with deficit balances. Each Taluk Board limits may be conterminous with the ~~...~~ Revenue Division.

Report of the Dt Committee Bellary Dt

The Dt Committee does not appear to have framed normal budgets and fixed suitable figures for working balances in each case. The Committee may be asked to do this. The normal budget should be placed before the respective boards and the views of the boards communicated to Govt.

2 None of the boards are now levying the addl land cess under Sec 78(b) of the Act. (A proposal to levy this cess at the rate of 1 pie is under separate consideration) The Committee recommends the levy of an additional taxation of 6 or 4 pies according to the necessities of the case. ~~The present act~~ It may however be pointed out that a

Compensatory grant was sanctioned to the boards in the current year on the understanding that the boards pass resolutions before the end of the current year for the levy of the addl cess under sec 6 (b) of the Act at the rate of three pies from the next fasli. The attention of the Boards may be invited to this.

2 The question of abolishing the Rayadrug taluk board may be considered after the receipt of the views of the boards on the matter.

The Hospet Tk Bd is not willing to levy any additional cess. In G.O No 2173 L&M dt 3-10-23, this taluk Bd (B)

was not required to levy any additional cess in the current or next year. According to the budget of the TK Bd for the current year, ~~the~~ it has a recurring deficit of Rs 4,450 and is expected to have a closing balance of Rs 6,316 at the end of the current year. The question whether this board should be asked to levy the additional cess may perhaps be considered after the normal budget is framed ~~by the~~ and submitted by the district Committee. If so, the normal budget may be awaited.

Tell the Bd that it has a normal deficit of Rs 4450 (giving details) & that if the normal budget also shows a deficit, it will be necessary for it to levy additional cess.
